

46TH ANNUAL EASTERN-ATLANTIC STUDENT RESEARCH FORUM

WELCOME

The Eastern-Atlantic Student Research Forum (ESRF) is a three-day international scientific meeting hosted by the University of Miami Miller School of Medicine. **Department of Public Health Sciences** MPH, MSPH, and MS students and recent alumni are eligible to participate in the presentation of public health sciences research. Our aim is to provide the opportunity for master's students to engage in scientific presentations to contribute to their professional development as public health professionals, physicians and scientists.

KEYNOTE SPEAKER

Douglas R. Lowy, MD

Acting Director,
National Cancer Center
National Institutes of Health
Bethesda, MD

*Preventing Cervical Cancer and
other HPV-associated Cancers by
Vaccination and Screening*

GUIDELINES

Presentations of original research in both oral and poster formats are sought in all areas of research. All students wishing to participate in the 2019 ESRF must submit an abstract. Presenters with approved abstracts will receive an official invitation to attend the conference. Additional abstract guidelines and eligibility for participation rules can be obtained on the ESRF website.

CONFERENCE VENUE

Research presentations and other conference events will take place at the University of Miami Miller School of Medicine.
